

CANADIAN PICTURE PIONEERS ANNUAL AWARDS DINNER

The Canadian Picture Pioneers was founded in 1940 to bring the motion picture industry together as a community of employees from across Canada for fellowship, public service and to help each other out in time of need. Please help us continue this work with your continued donations and sponsorship of our events.

The Annual Canadian Picture Pioneers Awards Dinner charity event has been held each year since 1950 honouring those who have distinguished themselves in the industry and community. This gala event also serves as a fundraiser to support the benevolent activities of the Picture Pioneers across Canada. Executives and employees from all the major exhibitors and distributors attend each year.
